VEGETINE

WILL CURE RHEUMATISM.

Vegetine vs. Electricity.

UHANNA, OHIO, Feb. 16th, 1877.
Dear Sir—I feel greatly indebted to your ex-
cellent medicine, Vegetine, for what it has done for me. I
have been subjected to RHEUMATISM all my life. I
was attacked with it three years ago, and suffering
terrible pains in chest, back and limbs for six or
eight months, at which time I commenced using
Vegetine on the advice of a friend, who had been en-
tirely cured by it. I had scarcely used a half bottle
until the pain had left me, and my general health
began to improve rapidly under influence of
great blood purifier. I had also suffered dreadfully
from a Nasal Catarrh for seven or eight years. After
taking the first bottle of Vegetine I noticed a great
change for the better. The constant pain and he-
morrhage that I had over my eyes for years dis-
appeared, and the discharge of mucus from the head ceased.
My appetite got better, and strength seemed to come
with every dose of medicine. Too much cannot be
said in its favor, and I always take pleasure in re-
commending it to my friends who may be suffering
from any disease of the blood, for I feel satisfied if
they try it they are sure of a cure.
I am, very respectfully yours,
J. H. RHODES,
Manager Western Union Telegraph Office, Urbana, O.

Verdict for Vegetine.

VEGETINE

WILL CURE RHEUMATISM.

COLUMBUS, O., Feb. 11, 1877.

Dear Sir—I wish to inform you what Vegetine has
done for my family. Eighteen months ago my wife
had a severe attack of Rheumatism, and a few
days later she was confined to her bed. She had
used the Vegetine advised her to try it, and
bottles of it she became entirely cured. I am myself
at the present time using the Vegetine for Rheuma-
tism with good success. My other daughter has also
used the Vegetine for Catarrh and Nervous Debility,
and has been greatly benefited by its use. I have
also recommended it to many others, with good suc-
cess, and I honestly believe that the Vegetine is the
best medicine for Rheumatism, Catarrh, Debility,
therein, and I always wish to keep it in my house as
a family medicine.

VEGETINE.

A Family Medicine.

CINCINNATI, OHIO, April 11, 1877.
Dear Sir—I have been troubled and suffered a great
deal from Catarrh. I have tried many remedies,
but they did not cure me. I have been advised to
use Vegetine, and I have used it, and I feel
entirely cured. I have been using your medicine called
Vegetine for Catarrh and Nervous Debility, and
she has been greatly benefited by its use. I have
also recommended it to many others, with good suc-
cess, and I honestly believe that the Vegetine is the
best medicine for Rheumatism, Catarrh, Debility,
therein, and I always wish to keep it in my house as
a family medicine.

Mr. Arnet is a large real estate owner, a wealthy
man, an old resident, and well known in Cincinnati.

Rheumatism is a Disease of the Blood.
The blood in this disease, is full of impurities, and
these impurities are the cause of the disease. The
blood from its diseased condition is a healthy cir-
culation. One bottle of Vegetine will give relief, but
to effect a permanent cure, it must be taken regularly,
and may take several bottles, especially in cases
of long standing. Try it, and your verdict will be the
same as that of hundreds before you, who say I
never found so much relief as from the use of "VEGETINE,"
which is composed exclusively of herbs,
roots and berries.

SOLICITOR'S OFFICE,
W. W. SELLERS,
MARION, S. C. Dec. 22, 1877.

Messrs. A. F. Merrill & Co., Philadelphia, Pa.:
Gentlemen—Some three years ago I was
taken with something like asthma. The at-
tacks at first came at night, and whilst
asleep. It would awake me, and I would
have to get up and sit up till it would wear
off. These attacks became more and more
frequent, and increased more and more in
violence until the spring of 1876, when they
became alarming. I had to sit up most of
the nights, could not breathe in any other
position, and not in a sitting position with-
out a very painful difficulty. It was attended
with a white frothy character and very
tough. I became very weak and feeble.
My physician did what he could, but to lit-
tle purpose. If he knew what I needed, he
kept it concealed from me. I, however, was
satisfied that the dread disease of consump-
tion was fast setting in upon my lungs.
Providentially I saw the recommendation of
the Hon. Alex. H. Stephens of the Globe
Flower Syrup, and having known him for
years, and also of his physical infirmities, I
determined to make a trial of the Syrup. I
bought a bottle and commenced taking it as
per directions. I felt a sensation of relief
after the first dose (taken at night,) but had
to get up before day and sit up as usual. I
continued to take through the next day as
directed and at night before retiring. I
have not had to get up since. I continued
to take it regularly until I took three bot-
tles. The cough gradually subsided,
breathing became clear and easy, and for
twelve months I have been in perfect health
—no cough, no asthmatic affection, and I
cheerfully attribute my cure to the use of
the Globe Flower Syrup, and would recom-
mend it to all similarly afflicted. My
official and professional labors are particu-
larly straining to the lungs, but I am per-
fectly sound and well, and have no symp-
toms of any lung disease. I keep some of
the Syrup on hand, and perhaps once a
month take a dose of it, which I think
keeps the lungs vigorous and healthy.

I have been thinking for some time that
I would add my testimony to the virtues of
the Globe Flower Syrup, and now take oc-
casion to do so; and if you can make any
use of the above so as to benefit the suffer-
ing everywhere, you are at liberty to do so.
Respectfully yours,
W. W. SELLERS,
Solicitor 4th Judicial Circuit in S. O.

WHAT IS **Sick & Nervous HEADACHE?**

It was at one time supposed that
the seat of the brain was in the
stomach. Certain it is a wonderful sympathy exists
between the two, and what effects one has an im-
mediate effect on the other. So it is that a disor-
dered stomach invariably is followed by a sympathetic
action of the brain, and headaches all arise from this
cause. Headaches are easily cured if you will take

The former is the primary cause
of the latter. A sour stomach
